

What's On in Warwick

A long-term calendar of events for residents and visitors compiled by Unlocking Warwick

January 2022 onwards (Revised 14.1.22)

www.unlockingwarwick.org

Warwick Market is every Saturday from 9am. Farmers' Markets are usually on the 2nd and 5th Saturdays of the month. During the summer there is an additional market on Wednesdays.

Covid-19: the latest rules from the government - in England

Rules and precautions: With the appearance of the Omicron variant, face coverings became a legal requirement in shops, on public transport, in places of worship, theatres, cinemas and in secondary schools. We are now being urged to work from home where possible and 'vaccine passports' are required for some crowded venues. <https://www.bbc.co.uk/news/uk-59585307>

Vaccinations: Boosters. Over 18s can have a third vaccination or 'booster' if they had a second vaccination at least three months ago. You can wait to be contacted, or - depending on where you live in the UK – [book online](#), or call 119. How soon you are contacted will depend on your age and whether you are in an at-risk group. <https://www.happyhealthylives.uk/coronavirus/covid-19-vaccination/vaccination-drop-in-clinics/>

Self isolation: If you have symptoms, get a PCR test as soon as possible and self isolate until a negative result. If contacted because you have been in close contact with an infected person, you are advised to take a lateral flow test every day for a week. As long as they are negative, you won't need to take any further action. If a test is positive you must self-isolate for 5 days and have two negative results. Test packs here:

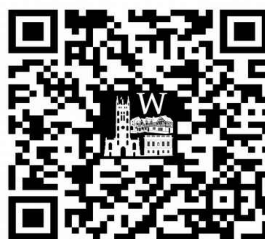

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Travel abroad: As the impact of the *Omicron variant* is assessed, people arriving from abroad must take a PCR or a purchased lateral flow test within two days and self-isolate until they receive a negative result.

In Warwick

- **Vaccinations:** The National Agricultural Centre at Stoneleigh has reopened for vaccinations and you can walk in for a booster. Some pharmacies are now offering vaccinations.
